

Dated the 14th March, 1986

To

The Superintending Engineer (Gates)
Central Designs Organisation,
Dindori Road, Nashik-422004.

Sub :- Seals to be provided to the vertical lift gates
leaf for outlet regarding..

Ref :- Your letter CDO/GOII/MAJ/1379 dt.6-9-1985.

It is directed to convey the Govt. approval to the
following points regarding the use of rubber seals for outlet
gates.

- i) For effective leak proofness service gates may be
provided with plain rubber seals.
- ii) In case of emergency gates if there are no difficulties
in accommodating ballast in the gate, plain rubber
seals may be provided.

If otherwise, provision of brass clad seal should be
made.
