

**Abhay L. Pathak**

**Director General**

**Design, Training, Hydrology, Research,&  
Safety**

**Sudarshan S Pagar**

**Chief Engineer**

**Hydrology & Dam Safety**

**A.T. Deogade**

**Chief Engineer**

**Central Design Organisation**

|                                                                                                                                                                                |                                                                                       |
